## **PUDO Inc. Approved for Trading on OTCQB Venture Marketplace**

TORONTO, Ontario, December 1, 2015 – PUDO Inc., (Pick Up Drop Off), today announced that it has commenced trading of its common shares on the OTCQB, the venture exchange for entrepreneurial and development stage companies in the U.S.

“This is another major milestone that PUDO has reached this year on the heels of our recent listing on the Canadian Securities Exchange in July,” said Frank Coccia, Chief Executive Officer. “We believe the OTCQB listing will further enhance our liquidity, provide better access to U.S. investors and will ultimately contribute to increasing shareholder value over time.”

PUDO is the last mile delivery solution for e-commerce purchases. PUDO is making sure customers never miss a home delivery again. Customers simply Pick Up or Drop Off a parcel at their nearest PUDO Point<sup>TM</sup> location. There are 5,000 PUDO Point<sup>TM</sup> dealers currently signed up across North America, and the PUDO Point<sup>TM</sup> network continues to grow each day with more dealers being trained and opening for business.

The benefits to a local convenience store in becoming a PUDO Point<sup>TM</sup> includes additional foot traffic, additional revenue and repeat customer business. PUDO has also established an affiliate click-through program, with some of North America’s most well-known retailers, including Amazon, eBay, Hudson’s Bay, and Walmart. The agreements allow PUDO members to access these retailers through the PUDO site and have their parcels delivered to their nearest PUDO Point<sup>TM</sup> instead of their home address, ensuring they never miss a delivery.

### **About PUDO Inc.**

PUDO is the last mile delivery solution for parcel pick-up and drop-off services, ensuring reliable and secure delivery where you want it, when you want it. Using easily-accessible PUDO Point<sup>TM</sup> locations such as convenience stores, gas stations and grocery stores with extended hours, PUDO members, participating e-commerce retail consumers, businesses and a home-based workforce can now pick-up their parcels anytime, including evenings and weekends. PUDO eliminates the frustration of missed deliveries and gives control over parcel pick-up and delivery back to its members. With user-friendly technology, free membership and thousands of PUDO Point<sup>TM</sup> locations across Canada and the U.S., PUDO is changing the parcel delivery model in North America. PUDO was named one of the top 20 most innovative public technology companies by the Canadian Innovation Exchange in 2015.
